Today Youon has a meeting so he can't be with you..
I will be with you instead
...hmm Okay..
But why is Gohyo standing outside?
Then I'll wait in front of the dorm
Don't worry I won't go near you..

What's with this sit on?!
What is this? A trap? Or is it a punishment game?

It's night but a sleeping vampire ? I should cover him
Where did he bring it from?
You.
Something happened between you and Hodu, right?

NabiScans

Why is she sacrificing herself for you?

Long time ago

Well..

It's not that good of a story

There was a sibling

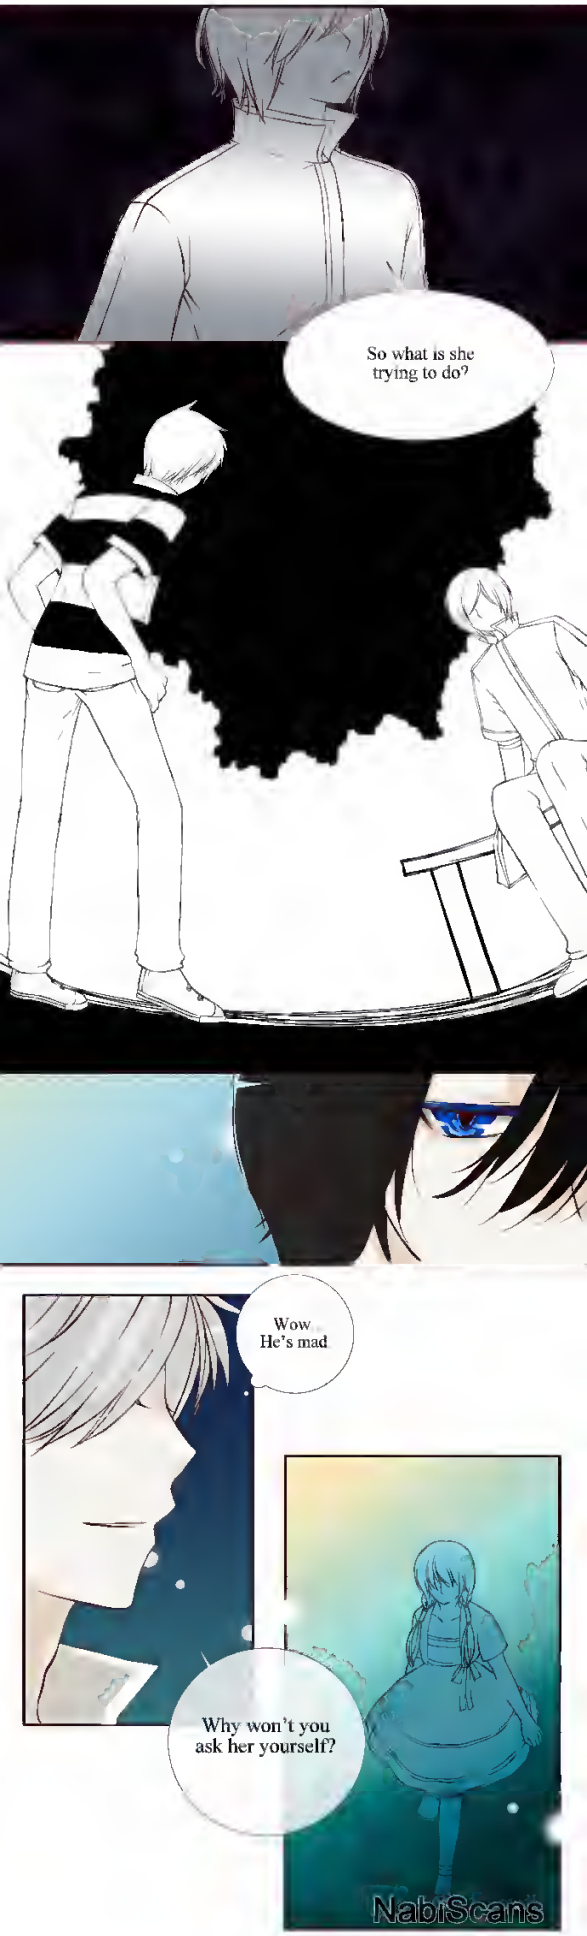
NabiScans

Then one day,
a monster appeared.
A vicious monster
with sharp teeth

Sister tried to
protect her brother..

But the brother
was still bitten
by the sharp teeth.

NabiScans



So what is she trying to do?
Wow
He's mad
Why won't you ask her yourself?
NabiScans

I'm here!
Ah, you're here too~
Tired from running~
Did something happen?
Why do you both have serious faces?
Gohyo was sleeping, covered with leaves, so we were talking about that~
Ah..
Okay I'll believe you~

Really Bothersome
You are covered with leaves..
